### FORMATS

- INSPIRE:** A short, catchy state presentation followed by a Q&A session with the audience. Inspire-Talks are moderated throughout the day.
- CO-CREATE:** A facilitated workshop which aims at working together on a question in a collaborative environment and at developing practical results.
- DEBATE:** An open dialogue format aimed at exchanging and discussing ideas.

### CONTENT STREAMS

- SUSTAINABLE DEMOCRACY:** Which democratic reforms will enable democratic societies to re-embed into the boundaries of the ecosystem? How can democracy help to balance the immediate needs of its citizens and the interests of future generations?
- DIGITAL DEMOCRACY:** Which political decisions will help to align technological innovation with the fundamental values and goals of democratic societies?
- DEMOCRATIC MIND-SET:** What do citizens and decision-makers need to be able to meaningfully shape transformative times? What are the consequences for education, social security, political participation, etc.?
