

The project «FACTS – From Alternatives Narratives to Citizens True EU Stories» was funded with the support of the European Union under the Programme "Europe for Citizens"

Strand 2 – Measure 2.3 "Civil Society Projects"

Preparatory activities: It consisted of 3 meetings that involved 15 participants each.

Location / Dates: Virtual meetings held on the 22nd of January 2021, the 22nd of April 2021 and the 3rd of December 2021.

Short description: Three preparatory meetings attended by the members of the consortium (CIDOB, IAI, ELIAMEP, Das Progressive Zentrum, WiseEuropa and the Open European Dialogue Team of the German Marshall Fund) were held online to plan and organise the different activities of the action FACTS. The first meeting served as a kick-off meeting, the consortium discussed the schedule and content of the activities and deliverables, the ethical considerations of the research and its privacy issues. Partners discussed on a common set of questions to design the questionnaire for the semi-structured focus groups, agreed upon the communication strategy and budget issues of the project and shared good practices on logistics. The second meeting was specifically devoted to the organisation of the focus groups in each country, tackling issues such as the methodology of the focus group and the final questionnaire, the recruitment of participants, templates for informed consent and registration and reporting rules and supporting documents. The third meeting was devoted mainly to the organization of the final conference and start discussing the final monograph to be published at the end of the action.
