## THEMATIC CLUSTERS

### SYSTEMIC REFORM

How must democratic institutions and structures change to be resilient in times of transformation?

### SUSTAINABLE DEMOCRACY

How can we re-integrate political and economic systems (i.e. democracy and capitalism) into the boundaries of our ecosystem?

### DIGITAL DEMOCRACY

Which kind of governance does it take to make technological progress compatible with the "social contract"?

### COMMUNITY & BELONGING

How can we create individual and collective identities that serve as drivers to build the next democracy?
